Dear Steve and Tara,

Thank you so much for the Buzash Art and Jazz Showcase weekend. It was truly a wonderful event. In fact people are still buzzing about what a great time they had those three days. "It was the best event EVER at Elm Court" is what I keep hearing.

Thank you for all you did to make the weekend a success. The art, the jazz concerts, the food, the general atmosphere all contributed to one very special happening. I welcome you both back anytime. Now that most of the hard work has been done, the next event will be much simpler to orchestrate.

Veona Finkelstein sure had it right when she asked if a friend of hers might use Elm Court for an Art Show. It truly was a pleasure having you both here.

Most fondly,

Rhona W. Porter
